**Alliance for Human Services****CHOOSE LIFE LICENSE PLATE INITIATIVE**

In accordance with Florida Statutes subsections 320.08056, 320.08058(30) and 320.08062, the State of Florida collects funds from the sale of "Choose Life" specialty license plates. Each year, the State returns the funds collected from the sale of the Choose Life license plates in Miami-Dade County to Miami-Dade County. The Alliance for Human Services, in partnership with Miami-Dade County, then releases a Request for Proposals (RFP) to solicit applications from organizations that are qualified to administer these funds in compliance with the referenced subsections of the Florida Statutes. At least seventy (70) percent of the funds must be used to provide for the material needs of pregnant women who are committed to placing their children for adoption, including clothing, housing, medical care, food, utilities, and transportation and that such funds may also be expended on infants awaiting placement with adoptive parents. Any remaining funds may be used for adoption, counseling, training, or advertising.
